OFFICE OF LEGISLATIVE COUNSEL

Friday - 17 June 1977

25X1 1. [] LIAISON I received a call from Lawrence Lucero, in the office of Representative Manuel Lujan (R., N. Mex.), concerning CIA tours. I told him that nothing had been confirmed yet but hopefully the tours would begin in July and we would put his name on a list and would be back in touch as soon as we had firm information.

25X1 2. [] LIAISON Mark Moran, formerly of ex-Senator John Tunney's (D., Calif.) staff, called to say that he is now to be Senator Frank Church's (D., Idaho) designee on the Senate Foreign Relations Committee, to do primarily Senator Church's S. Res. 60 business (not the Subcommittee on Foreign Economic Policy which Senator Church chairs). He is having Department of Defense update his Top Secret and Q clearances, and would like us to arrange for SI/TK clearances. I said I would inquire and get back to him.

25X1 3. [] FBIS George Armstrong, in the office of Representative John Ashbrook (R., Ohio), called and requested two copies of the "Supplement" to the USSR FBIS Daily Report of 10 June which contained a translation of the Soviet constitution. I told him I would have them sent to him as soon as possible. FBIS will handle this directly.

25X1 4. [] LIAISON I received a call from Doey, in the office of Representative Edward Madigan (R., Ill.), concerning the CIA tours. I told her that nothing had been confirmed yet but hopefully the tours would begin in July and we would put her name on a list and would be back in touch as soon as we had firm information.

5. [] LIAISON Called Col. Steve Harrick, DOD, and thanked him for sending us notes on upcoming briefings by DIA. I clarified that their briefing of the Joint Economic Committee Subcommittee on Priorities and Economy in Government is scheduled for 24 June. I also told Col. Harrick that we are briefing the same Subcommittee on 23 June on the subject of the Soviet and Chinese economies. I told him we would send him a listing each week of our scheduled briefings for the following week. We agreed to keep in close touch on these exchanges. Col. Harrick noted that he has made arrangements to get together with Messrs. Richard Kaufman and George Krumbhaar, of the Joint Economic Committee staff, to sign them up for their compartmented clearances either Monday or Tuesday of next week. He said they already have DOD Top Secret clearances. I told him I would pass this on.

6. [] LIAISON Per his earlier request, I mailed a USSR Agriculture atlas and an Indian Ocean atlas to Dale Schmidt, in the office of Representative Robert W. Kasten (R., Wis.).

7. [] LIAISON Received a call from Elizabeth Daust, on the House International Relations Committee staff, who asked to be put on the subscription list to receive the Agency publication "Chiefs of State and Cabinet Members of Foreign Governments." [] Congressional Support Staff, will take care of this.

8. [] LIAISON Colonel Steve Harrick, DOD, called in connection with the briefing of the Senate Foreign Relations Committee on Monday, 20 June, and asked me to pass on to [] that he completely understood our permitting only the one DIA representative to sit in on the briefing. Originally he had inquired into the possibility of having two observers there, one DIA representative and one representative from the International Relations Staff, DOD.

10. [] LEGISLATION Received a call from Phil Manuel, Senate Governmental Affairs Permanent Investigations Subcommittee staff. A bill is being proposed by several members to establish criminal penalties for computer fraud. The sponsors requested that the proposal be reviewed informally by CIA before it is introduced to be certain that intelligence agencies will not be affected. A copy was picked up by courier and was referred to the Office of General Counsel for review.

11. [] LIAISON Received a call from Grace, in the office of Representative Newton I. Steers (R., Md.), requesting information about Agency tours for a constituent. I informed her that nothing had been confirmed yet but hopefully the tours would begin in July and we would put her name on a list and would be back in touch when we had firm information.

12. [] LIAISON Received a call from Phillip Manuel, Senate Governmental Affairs Committee staff, requesting an analysis of proposed legislation on computer security. The bill was picked up and passed to the Legislation Staff for action.

14. [] ADMINISTRATIVE-DELIVERIES Delivered a corrected transcript of the Middle East briefing, held 7 June 1977, to Bill Jordan, Senate Appropriations Subcommittee on Foreign Operations staff, and I retrieved the uncorrected copy left earlier.

18. [REDACTED] LIAISON Norvill Jones, Chief of Staff, Senate Foreign Relations Committee, called and asked if the DCI's intelligence assessment sent today was the annex to PRM-13. I told him that it was not the annex but it was the same information--it was the Intelligence Community's judgment as expressed by the DCI. Jones understood the need for this distinction in facilitating a response to the Committee's interest without getting entangled in Executive/Legislative prerogatives. In response to my query, Jones said to his knowledge no one in the Committee would make an issue of the distinction as long as they are aware that they have the DCI's Community assessment.

Jones reminded me that the Committee is still waiting patiently for its briefing on intelligence agreements subject to the Case Act. I promised to look into the status and be back in touch. Tony Lapham, General Counsel, has been requested to check the status of this with the Counsel to the President.

20. [REDACTED] BRIEFING Spoke to Dick Kaufman, General Counsel, Joint Economic Committee, concerning what we might be able to do with the Subcommittee on Priorities and Economy in Government briefing scheduled for 23 June at 10:00 a.m. if there is a conflict because of a White House meeting for the DCI. Kaufman was very reluctant to limit the DCI's availability to only an introductory statement and said he would prefer to recommend to Chairman William W. Proxmire (D., Wis.) to change the date of the briefing. He will wait to hear further if we desire any change. After discussing this with [REDACTED] [REDACTED] O/DCI, it was decided to hold to the 23 June briefing date and time.

22. [REDACTED] BRIEFING Bruce Van Voorst, on the staff of Senator Dick Clark (D., Iowa), called to request a briefing on U.S. overhead surveillance capabilities for the Senator only either 4:00 p.m. to 5:00 p.m. on Tuesday, 21 June, or 11:30 a.m. to 12:30 p.m. on Friday, 24 June.

5. [REDACTED] LIAISON Talked with Dan Childs, Senate Select Committee on Intelligence staff, regarding S. 1539, the Intelligence Authorization Bill. Childs said no firm strategy plans had been agreed to, but that there was some discussion of trying to get unanimous consent that there be no debate on the bill. Childs said the Committee was concerned that some Senators might ask to go into secret session to discuss the bill, and that the question of an open budget, which the Committee hopes to handle separately, would become inextricably involved in the Authorization bill debate.

7. [REDACTED] LIAISON Received a call from Peg Pokusa, Senate Select Committee on Intelligence staff, who said there had been some last minute changes in Chairman Daniel K. Inouye's (D., Hawaii), Senate Select Committee on Intelligence, speech as CIA guest speaker and asked that I get this word to Audrey Hatry, Clerk, Senate Select Committee on Intelligence staff, who would be attending the speech. Pokusa was concerned that copies of the older version of the speech would be given to the press. I did locate Hatry in the auditorium and passed this message to her.

25X1

8. [REDACTED] LIAISON Met with Howard Liebengood, aide to Senator Howard H. Baker (R., Tenn.), and received from him a copy of the proposed bill on computer security, to be introduced by Senator Abraham Ribicoff (D., Conn.). I agreed to get back to Liebengood Monday with Agency views on the legislation.

9. [REDACTED] LIAISON Received a telephone call from Representative Louis Stokes (D., Ohio), Chairman, House Select Committee on Assassinations, requesting delivery of four FBI Summary Investigative Reports on HSCA staffers which the Director of Security was holding for Chairman Stokes.
